FY 2010-11 **Community Development** **Program**

FY 2010-11

Community Development Program

The City's Community Development (CD) Program provides operating and one-time grants to non-profit organizations to improve the quality of life for Santa Monica residents, with an emphasis on those who are low or moderate income or have special needs. Target populations include: children, teens, families, seniors, people with disabilities, and people who are homeless in Santa Monica. The FY 2010-11 CD Program provides funding support of approximately \$7.6 million to 27 nonprofit human service and housing development organizations supporting over 50 different programs. Programs may serve multiple target populations. In addition, \$737,800 in one-time grants supports capital and infrastructure improvement and projects to improve service delivery, and \$530,576 from a three-year American Recovery and Reinvestment Act (ARRA) grant supports services related to providing case management, housing relocation, financial assistance and administrative services to prevent eviction and stabilize low-income, at-risk Santa Monica households.

Note: The *Program/Project Descriptions* indicate the activities of the specific programs funded through the City's Community Development Program only.
