NOVEMBER

DECEMBER

7—The Merry Gentleman

Michael Keaton makes his directorial debut in this low-key story of two unlikely kindred spirits. Kate Frazier is a sweet woman who has left behind an abusive husband to start her life over.

5—Easy Virtue

A glamorous American woman enters into a spirited battle of wits with her disapproving English mother-in-law in this period romantic comedy following a whirlwind romance.

14—Ghosts of Girlfriends Past

Fusion of A Christmas Carol with a traditional romantic comedy stars Matthew McConaughey as Connor Mead, a famous photographer and confirmed womanizer.

12—Earth

The program provides a sweeping tour of our home planet's biosphere, spanning every level of gaze, from the epic crystal-clear shots of the Earth to the hyper-specific.

21—X-Men Origins: Wolverine

Based on Danny Wallace's autobiographical book, Jim Carrey stars as a man who decides to spice up his life by saying yes to everything in his life that he would normally say no to.

19—State of Play

American adaptation of the hit British miniseries concerning the suspicious circumstances that set a rising congressman and a dogged reporter on a dangerous collision course.
