## **New State Law: Swimming Pool Safety Act of 2006 (Assembly Bill 2977) Effective January 1, 2007**

*California Health and Safety Code Section 115928 "(d) Whenever a building permit is issued for the remodel or modification of a single family home with an existing swimming pool, toddler pool, or spa, the permit shall require that the suction outlet of the existing swimming pool, toddler pool, or spa be upgraded so as to be equipped with an anti-entrapment cover meeting the current standards of the American Society for Testing and Materials (ASTM) or the American Society of Mechanical Engineers (ASME)."*

To see the full text of this law visit the State of California website at:

[http://www.leginfo.ca.gov/pub/05-06/bill/asm/ab\\_2951-3000/ab\\_2977\\_bill\\_20060926\\_chaptered.html](http://www.leginfo.ca.gov/pub/05-06/bill/asm/ab_2951-3000/ab_2977_bill_20060926_chaptered.html)

This new State law requires that **when a building permit is issued for the remodel or modification of a single-family home** or new or remodeled swimming pool and spa, the permit shall include the installation of an anti-entrapment cover on the suction outlet of the pool or spa located on that property. The anti-entrapment cover shall meet ASTM or ASME standards.

### **Examples of anti-entrapment drain cover devices for existing pools**

Note: Some device installations may require the pool to be empty.

**Available at pool equipment suppliers**

To receive final inspection approval, the building inspector will verify the installation of an anti-entrapment device.

## **New Ordinance Requiring Installation of Earthquake Gas Shutoff Valves in New and Existing Buildings**

Effective January 1, 2008 an earthquake gas shutoff valve shall be installed in the following cases:

### **New buildings**

A shutoff device shall be installed on the main piping serving the building and/or each individual meter.

### **Existing Buildings**

A shutoff device shall be installed when alterations or additions exceeding \$10,000 in valuation are made to the building or individual units within the buildings.

An unreasonable hardship exemption can be granted if the cost of the installation of shutoff device exceeds 20% of the cost of alteration.

### **Sales or Agreement to Exchange**

In addition, a shutoff device shall be installed when a building or condominium unit is sold or an agreement to exchange is entered into.

**THANK YOU**

## NOTICE TO PERMIT HOLDER

### New Fines for Construction Related Violations Effective April 1, 2004

Santa Monica has adopted a schedule of fines for various violations of its municipal code. Enclosed is a schedule of various construction related fines for your reference. Any violation of these municipal code sections will subject you to an administrative fine in the amount shown for each separate code violation. Failure to pay fines when due and/or continued violation of these code sections may also result in criminal prosecution and business license and/or permit revocation.

As the responsible party for this permit, you must follow all municipal code sections related to the proposed construction. Please insure that all persons involved in your construction project understand and follow our community standards. If you should have any questions about these standards or any specific municipal code section, please contact our code compliance staff at (310) 458-4984. You may also read any Santa Monica municipal code section online at <http://pen2.ci.santa-monica.ca.us/city/municode/>. Your voluntary compliance is appreciated.

**REPEAT VIOLATIONS:** The administrative citation fine amount for a second violation of the same Code provision by the same responsible party within thirty-six (36) months from the date of an administrative citation shall equal one hundred twenty-five percent (125%) of the fine amount listed in this resolution for a first violation of that Municipal Code section at the time of the second violation. The administrative citation fine amount for a third and any subsequent violation of the same Code provision by the same responsible party within thirty-six (36) months from the date of an administrative citation shall equal one hundred fifty percent (150%) of the fine amount listed in this resolution for a first violation of that Municipal Code section at the time of the third, or as applicable, subsequent violation.

**LATE PAYMENT CHARGES:** Payment of the administrative citation fine amount after thirty (30) days from the date of the administrative citation shall be subject to an additional late payment charge. The late payment charge shall equal ten percent (10%) of the administrative citation fine amount due the City, or ten percent (10%) of the amount remaining unpaid to the City if a portion of the fine amount was timely paid. Late payment charges shall be in addition to the amount of the administrative citation fine amount. In addition, interest shall accrue on all unpaid monies due, exclusive of late payment charges, at the rate of one half of one percent per month, pro rata, of the total amount due from the date the administrative citation fine amount becomes delinquent until the date that all delinquent amounts are paid to the City.
